emmanuel **haven**

H E A L T H

New approach required

Emphasis to be on sustainability

- Health Care Centre
- Profit-making agricultural component

emmanuel **haven**
H E A L T H

Vision

A Christian response towards an HIV and Aids-free Motherwell

- Health
- Education
- Moral regeneration and
- Poverty eradication

emmanuel **haven**
H E A L T H

Aims

- To provide a service to those who HIV positive
- To provide a climate that ensures that the stigma of HIV Aids is addressed

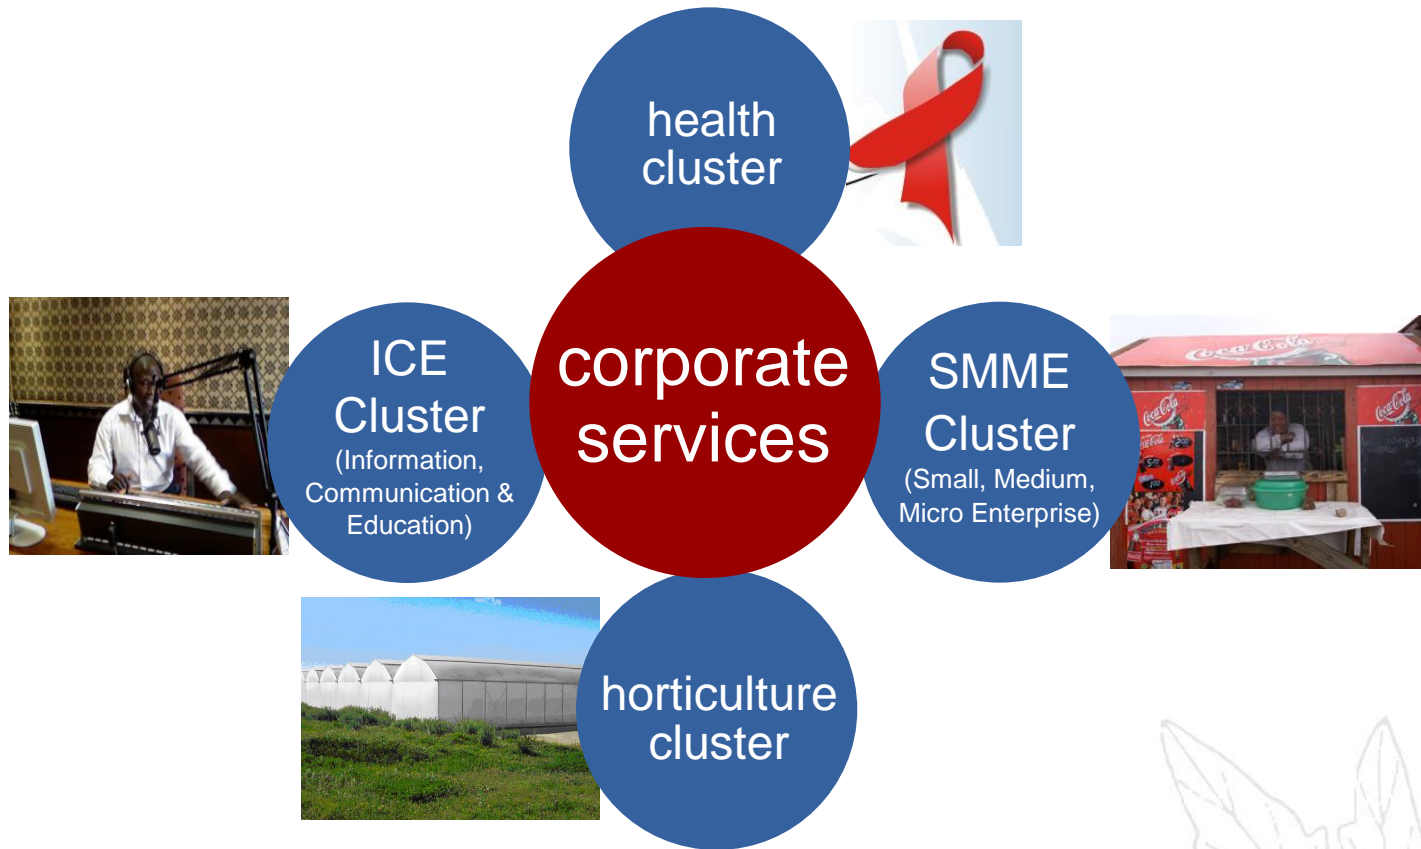

Challenges

Could not achieve on own - needed creative and enduring partnerships with:

- Community
- Government
- Business
- Professionals
